

**Registration for the 2021-22 school year will open July 6.**

Go to [ossaa.com](http://ossaa.com)

Click on Officials

Click on Registration.

If you are a returning official, you will see a new look to the registration process...but the fees are the same. \$62 for the first sport and \$15 for each additional sport.

If you are a new member the fee for your first sport is \$32 and each additional sport is \$15.

What has changed this year is that the NFHS test for all sports is no longer available through the Arbiter site. You will need to set up a profile on the NFHS site.

Instructions to set up your profile and access a sport test AFTER you have registered are posted on the OSSAA Arbiter Sports page for each sport. The opening date for each sport test will be on the link located on the OSSAA Arbiter Sports...football, basketball, baseball, softball-fast pitch, softball-slow pitch, soccer, volleyball and wrestling.

**You are not an eligible official until you have registered (paid your fees) and passed your test (75%).**

**Testing will open July 12 for Football, Volleyball, Fall Baseball (is you did not test in the spring), ONLY FAST PITCH SOFTBALL OFFICIALS THAT DID NOT TEST IN 2020 WILL NEED TO TEST THIS YEAR.**

**The concussion course is required every school year. You must notify me once you have completed the course so that I can record it.**

**NEW THIS YEAR is the Implicit Bias course. This is also a required course, and you will need to notify me when you have completed this course so that I can record it as well.**

**The Concussion and Implicit Bias courses are located on the [nfhslearn.com](http://nfhslearn.com) site.**

New officials will need to view the Concussion course, Implicit Bias and the Heat Illness Prevention.
