

OOA Officials' Hall of Fame Inductees

In 1986 the Oklahoma Officials Association "OOA" established the *Officials Hall of Fame*. The following criteria is used in the selection process:

- must be a retired official
- must be 60 years of age (special requests can be made to waive the age criteria)
- must have a minimum of 20 years of service as a game official

To date 139 of our deserving officials have been honored and their pictured plaques hang in the Oklahoma Secondary Schools Activities Association Office in Oklahoma City.

Selection for the Hall of Fame is made during the Spring OOA Executive Committee meeting. Nominations must be received at the OSSAA before March 1 of the current school year. Questions concerning the Officials' Hall of Fame process should be directed to Grant Gower, OSSAA Director of Officials, 405-840-1116 or ggower@ossaa.com
